Fig. 8

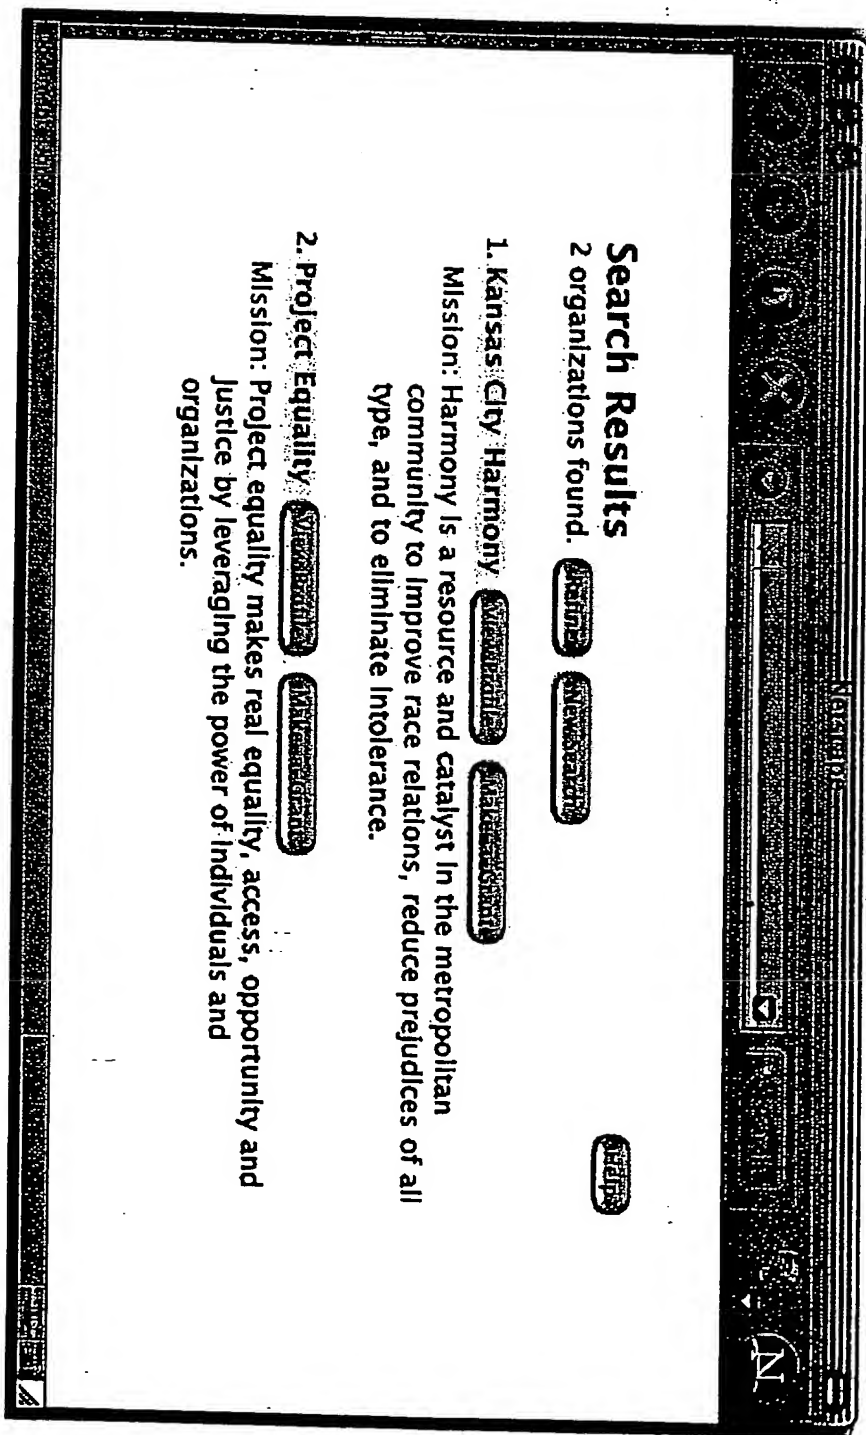

Fig. 9

The image shows a graphical user interface for searching philanthropic organizations. It features a window with a title bar and a menu bar. The main area is divided into two sections: 'SEARCH' and 'BROWSE'. The 'SEARCH' section has five input fields: 'Nonprofit Name', 'Keyword', 'Geographic Location', 'Organization Type', and 'NTBE'. The 'BROWSE' section has three options: 'Browse by Name', 'Browse by Program Type', and 'Browse Alphabetically'. At the bottom of the 'SEARCH' section are two buttons: 'SEARCH' and 'CLEAR'. The interface is rendered in a pixelated, high-contrast style typical of early computer graphics.
